Do you enjoy hearing the Handbells in our services? The handbells are in need of repairs and cleaning and the factory suggests we do this every 5 years. To our knowledge they have never been refurbished since their purchase. The cost of the process and shipping to the factory in South Carolina this summer will be around \$2,000.00. If you would like to contribute to this expense, please use a pew envelope and mark it for the Bell Refurbishing. The RINGERS and the DIRECTOR THANK YOU!!

The Photo Directories are here and they are on the table in the narthex for those who came and got their picture taken.

Hospitalized?

"When I was sick, you looked after me." Matthew 25:36. The pastor and others from your church desire to visit you during your stay in the hospital. It is something that Jesus wants us to do. However, due to new privacy laws, pastors and church volunteers are not allowed to see your name on an admissions list unless you designate your home church when admitted. When you or a family member, goes into the hospital as a patient, please contact Jean Williams who serves as our Hospital visitation coordinator (435-0427), or the church office (323-7272), or in an emergency anytime of day or night contact Pastor Bill directly at his home (323-2038).

Beiters is having it's 4th Annual Charity Drive starting May 1st. What this means for us is if you are in the market for any type of appliance that they sell, go from **May 1st through May 11th** and tell them your charity is Faxon-Kenmar UMC and they will donate 5% of the purchase price to us and you will get 5% off of the item. To make things easy for Beiters, just bring an old bulletin with you or stop in to the office and we can give you a business card, so that the church gets the credit. But it is a win-win deal!
